We have a new home! We have acquired a new location and are eager to invite you to fellowship with us. The word of God says we have not because we ask not and today we are inviting you to join in and help us as we raise funds to expand. This beautiful edifice will be the launch pad of numerous community initiatives but it needs a little TLC. Please join us in our Project Expansion with a seed of support today. All donations are tax-deductible. Gifts of any amount are appreciated.

Thanks for Your Support!
