Tuition Policy:

Monthly tuition is calculated as **10 equal payments** for the dance school year. It is **not** based on the number of classes offered or attended in a given month.

Families who do not wish to commit to the full 10 month program may choose the “**drop-in only**” option at the time of registration. However, once enrolled, dancers may **not** switch to the drop-in rate for a particular month in anticipation of attending fewer classes.

If an enrolled dancer misses a class, they are welcome to make it up in a lower-level class during the school year **with teacher permission**.

If writing a check, please write Dancer's name in the Memo section. Also, place the check in an envelope with the Dancer's name, number of classes and level written on it. Please place payment in the Dropbox.

If you choose to pay in cash, please have cash placed in an envelope with the dancer's name and level. Please hand the cash payment to the Instructor. The Instructor will write a receipt for cash payment.

Please speak directly to Mr. Grigorian if there are any tuition questions or concerns.

****Please note-** All payments made one week after the due date will incur a \$50.00 late fee
