

VA HARVEST PET CBD HEMP EXTRACT SAFETY DATA SHEET

Issued 1/18/2021 Revised 1/18/2021 Copyright 2021

Page 1 of 3

1. Chemical Product & Company ID

Product Name: VA Harvest Pet CBD Hemp Extract

Manufactured for:

Mid Atlantic Botanicals
6407 Mallory Drive
Richmond, VA 23226
Ph. 804 673-1383

2. Hazard Category

Acute toxicity – Oral Non Toxic
Eye Damage / Irritation Category 2B

Signal Word Warning

Hazard Statements May cause eye irritation

Hazard pictograms Not applicable

Precautionary Statements Prevention Wash hands after handling
Do not eat, drink or smoke when using product

Precautionary Statements Response If in eyes, rinse w/ water for several minutes. Remove contact lenses if Present & continue rinsing

If swallowed drink plenty of water,
1-2 glasses of water

Precautionary Statements Storage None

Precautionary Statements Disposal None

Hazards not otherwise classified None

3. Ingredients

CAS#	Ingredient	Weight%
13956-29-1	Cannabidiol	.0333
N/A	Natural Mixed Plant Derived Mixed Glycerides	Proprietary

4. First Aid Measures

Eyes: Immediately flush with water for two to three minutes. Remove any contact lenses & continue Flushing for at least 15 minutes.

Skin: Not applicable with normal use. If irritation develops, rinse with water.

Ingestion: Not Applicable with normal use.

Inhalation: None

Most important symptoms /effects, acute & delayed Possible eye irritation.

Indication of Immediate Medical Attention Provide general supportive measures and treat symptoms.

5. Fire Fighting Measures

Extinguishing Media: Water Fog, Foam, Dry Chemical, CO2

Unsuitable Extinguishing Media Do not use water jet.

Specific hazards arising from the product. During fire hazardous gases may form.

Special Protective Equipment Use self-contained breathing apparatus.

Fire Fighting Equipment: If possible, move drums from fire area.

Specific methods Use standard firefighting procedures.

General fire hazards No unusual fire or explosion hazards.

6. Accidental Release Measures

Personal precautions, protective equipment Keep unnecessary personnel away. Wear appropriate protective equipment during clean-up. Ensure adequate ventilation.

Methods & materials for containment & cleaning up Large spills: Stop the flow of material with temporary dikes of dirt. Absorb with inert material & prevent entry into fresh waterways. Following product recovery, flush area with water.

Environmental Pre-Cautions Not Applicable with normal use.

7. Handling & Storage

Safe Handling Not applicable with normal use.

Storage: Store under cool dry conditions below 30 C (below 87 F)

8. Exposure Controls/personal protection

Occupational exposure limits No exposure limits noted for ingredients.

Biological limit values No biological exposure limits noted for ingredients.

Appropriate engineering controls Not necessary under normal conditions.

Individual protection measures i.e. personal protective equipment

Eyes & Face None necessary under normal conditions.

Skin None necessary under normal conditions.

Respirator Not normally needed to work within ventilated area.

General hygiene considerations Observe good hygiene practices i.e. washing hands after handling and before eating.

9. Physical & Chemical Properties

Appearance: Clear
Physical State: Liquid
Form: Liquid
Odor: Characteristic
Odor Threshold Not Available
Color: Golden amber
pH (10%) Not Applicable
Vapor Pressure: Not Available
Vapor Density Not Available
Relative Density Not Available
Boiling Point: Not Determined
Solubility (water) Not Available
Flashpoint & Method: Not Determined
Flammability: Not Applicable
Autoignition Temp. Not Available
Flammable Class: Not Applicable
Decomposition temp. Not Available
Viscosity Not Determined
Other information
% volatile Not Determined
Specific Gravity: .84 - .89
Pour point Not Determined

10. Stability & Reactivity

Reactivity: This product is stable under normal conditions of use.

Chemical Stability: Material is stable under normal conditions.

Possibility of hazardous reactions: No dangerous reactions known under conditions of normal use.

Conditions to avoid: Overheating & Freezing

Incompatible Products: Strong oxidizers

Hazardous Decomposition products: Toxic levels of carbon monoxide may be formed on burning.

11. Toxicological Information

Information on likely routes of exposure

Eyes: May cause irritation to the eyes.

Skin: No precautions with normal use.

Ingestion: May cause irritation to the digestive tract in large amounts.

Inhalation: None

Symptoms related to the physical, chemical & toxicological characteristics: Stinging, tearing, redness of the eyes on contact.

Acute toxicity Not Available (N/A)

Skin contact: No precautions with normal use.

Eyes contact: Redness and/or possible itching or tearing of the eyes.

Respiratory or skin sensitization

Respiratory sensitization Not available

Skin sensitization May cause irritation to extra sensitive skin.

Germ cell mutagenicity No data available.

Carcinogenicity:

Listed by IARC: No

Listed by NIP: No

Listed by OSHA: No

Reproductive toxicity: This product is not expected to cause reproductive or developmental effects.

Specific target organ toxicity: Single exposure Not applicable

Specific target organ toxicity: repeated exposure Not applicable

Aspiration Hazard: Not applicable

12. Ecological Information

Ecotoxicity No data available

Persistence & degradability Expected to be readily biodegradable

Bioaccumulative potential: No data available

Mobility in soil: No data available

Other adverse effects: No other adverse environmental effects are expected.

13. Disposal Considerations

Disposal instructions Dispose of contents in accordance with local, state & federal regulations.

Hazardous waste code Not considered hazardous.

Waste from residues Dispose of in accordance with local regulations

Contaminated packaging Not Applicable

14. Transport Information

DOT Not regulated

IMDG Not regulated

IATA Not regulated

15. Regulatory information

SARA 313 This product does not contain any chemicals which are subject to the reporting requirements of the Act & Title 40 of the CFR, Part 372

CERCLA This product does not contain any substances regulated as hazardous under CERCLA (40 CFR 302) & SARA (40 CFR 355)

Clean Air Act This product does not contain any substances Regulated as HAPS under Section 112 of the Clean Air Act Amendments of 1990.

Clean Water Act This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

International Inventories

United States All intentionally-added components of this product are listed on the US TSCA inventory.

Canada This product is in compliance with CEPA
