

## CAPABILITY STATEMENT

**Eastern Realm** is a minority-managed professional services small business firm specializing in federal acquisition lifecycle support, business and program management, contract administration, and supply chain operations. With proven experience across multiple federal agencies. Our team of experts delivers cost-effective, compliant, and mission-aligned acquisition and program management solutions. Our personnel are certified and highly proficient in federal acquisition regulations systems, ERP systems, contract and project management best practices.

**Program Management:** Oversight and leadership of contract execution, team performance, and stakeholder engagement across large-scale federal programs.

**Acquisition Support Services:** Full-spectrum cradle-to-grave acquisition support including planning, solicitation, evaluation, administration, and closeout.

**Business Consulting:** Strategic engagement with clients and stakeholders, regulatory advisory, and process optimization through data-driven insights.

**Research & Development:** identifying innovation opportunities, conducting feasibility analysis, and supporting technology evaluation for federal missions.
