NOON BIBLE STUDY OUTLINE

TOPIC: THE PRAYER OF FAITH (FROM "LECTURES ON REVIVAL" BY CHARLES GRANDISON FINNEY)

Base Scripture: Mark 11:24 says "Therefore I say unto you, What things soever ye desire when ye pray, believe that ye receive them, and ye shall have them."

Introduction

1. **FAITH**-an indispensable condition of prevailing prayer.
 - Faith is a component that must be present
 - What is faith
2. **WHAT** we should believe when we pray.
 - Believe in the existence of God
 - Believe we'll receive what we asked for
3. **WHEN** we're obligated to exercise faith and believe we'll receive.
 - When we have evidence; Faith must always have evidence.

THE kinds of evidence we may receive:

1. **WHEN** God has SPECIFICALLY promised something TO US.
 2. Where there is a particular situation or pressing issue.
 3. Where there is a prophetic declaration agreeable to the will of God.
 4. When the signs of the times are present
 5. When the anointing of the Spirit of God is upon you, and excites strong desires for blessings
4. **PRAYER** in faith always obtains the sought blessing.
 - It's necessary to have expectations along with our faith as we pray

5. HOW to come into the state of mind where we exercise such faith.
 1. Cherish the good desires you have.
 2. Our entire consecration should be to God.
 3. You must persevere.
 4. God will tell you what to pray for
6. OBSERVATIONS for the prayer of faith
 - Some **must** have evidence or proof to offer the prayer of faith.
 - It's our duty to pray the prayer of faith for the salvation of men
