

FOP Endorsement 2026 Cache County Attorney

The Cache Valley Lodge of the Fraternal Order of Police (FOP), Lodge 28, formally endorses Mr. Dane Murray for the office of the Cache County Attorney.

The Cache Valley FOP Lodge is comprised of members representing all ranks and agencies within the valley. We recognize that a strong working relationship between the County Attorney and law enforcement is a critical component in providing quality public safety to the citizens of Cache County.

The Lodge solicited and received letters of interest from each candidate, which were subsequently made available to the lodge membership for review. A poll was concurrently distributed to the 168 lodge members, allowing them to cast a vote over the month of February. Over ninety percent of the ballots cast favored Mr. Murray.

Based on our collective experience with Mr. Murray, it is our position that he has consistently demonstrated himself to be an advocate for the vulnerable members of our community, a dedicated support to law enforcement, and a champion of accountability and transparency.

We encourage all our members, friends, and neighbors to support Mr. Murray in his campaign to secure the Republican Party nomination for Cache County Attorney.

Sincerely

FOP Board Members
Cache Valley Lodge #28.
