- **Attire** = All classes optional tack - English or Western but not a combination. Show is casual. Collared shirt, long pants and boots with heels required. Tack should be in clean, well-maintained condition / show tack not required.
- **2 Gait / 3 Gait** = All classes 2 Gait unless otherwise noted as 3 Gait. 3 Gaited classes will call for a canter/lope.
- **Beginner** = Has not won a first place in class/event.
- **Novice** = Has not won more than 3 first places.
- **Versatility** = All versatility classes to follow WHOA rule book.
- **Equitation** = Patterns mandatory, and are available on our website. Beginner equitation- no blue ribbon in any equitation class for rider. Stock seat will be asked to do 360 turn on haunches, walking seat will be asked to address the reins.
- **Ranch** = Riders will enter the ring one at a time, working obstacles you'd find while ranching. Once all riders are in the ring, riders will be judged at a trail walk and pleasure gait. Judge is looking for a horse that is well-mannered, easy gaited, light reined and responsive to rider's aids. In this class, headshake and stride are not

necessary. This class is a showcase for your handy trail riding companion. Rider should appear relaxed and comfortable. Class is judged 50/50 on obstacles and arena work.

- **Happy Trails** = Amateur only. Judge is looking for a horse that is well-mannered, smooth, light reined and responsive to rider's aids- headshake and back end not required. This class is a showcase for your best trail riding companion. Rider should appear relaxed and comfortable. Trail walk and trail gait.
- **Groom to Ride** = Rider cannot show in any other class; \$5 to enter at gate, winner take all. Walk and pleasure gait. You will not pay a class fee.
- **Horse Swap** = \$5 to enter at gate, winner takes all. Rider has not ridden the horse before - ask a friend to ride a horse you've always admired and enter a regular class! Pleasure gait and extended pleasure gait. You do not have to swap 2 horses (ie you can ride a friend's horse, they do not have to ride yours). You will not pay a class fee.
- **Panty Hose Race** = Timed event. Partners hold panty hose by feet - proceed to end of arena, around a barrel and back to start.
- **Jolly Ball Race** = Timed event. With one partner holding jolly ball, proceed to the end of arena, exchange jolly ball with partner around a barrel and back to start.
- **Pleasure Pairs** = Partners perform pleasure gait, extended pleasure gait and trail walk side by side. Judge looking for the best matched team that properly rides in unison.
- **Double Rider** = Partners switch rider of the horse upon reverse. Pleasure gait, extended pleasure gait and trail walk.
- **Bareback Pleasure** = Trail walk, favorite gait.
- **Beginner Western Riding / Western Reining** = Open to horse or rider who have never won a blue ribbon. Riders are allowed to ride with two hands in a shank bit and do simple lead changes vs. the ideal flying lead changes.
- **11 & Under** = Helmets required.
- **Gambler's Choice** = Points are assigned to certain obstacles; riders are given 60 seconds to gather the most points using whichever obstacle order they choose. Obstacles can be ridden multiple times but cannot be ridden back to back.
- **Fastest Gait** = \$5 to enter at gate, winner takes all. Fastest gait without breaking into canter. You will not pay a class fee.
