

OLD GOLD BASKETBALL

To: Old Gold Players and Parents

From: Head Coach Antonio Wiltz

It is once again time for another great year for Old Gold. We want to do as well as humanly possible at every age division. Our past success has set a high standard for performance, and has produced high expectations

This year we must be adherent to our deadlines for money collections. Because We are starting off paying a lot of money for practice times, so money deadlines need to be followed. Schedules are posted, and we hope to adhere strictly to those as long we can meet our financial obligations. Payments are preferred through Pay pal link on the website. If need be, however, we can take Cash, Zelle, or Cash app.

You are responsible for your kids getting to the practices and local tournaments. We will only be renting vans for our longer trips. We will have some fundraisers set up to try and help anyone that needs or wants to get some of their AAU fee paid that way. Any donations or sponsors you all have will be greatly appreciated and help your child's age group tremendously. Please let the coaches know in advance as soon as you know of any scheduling conflicts. Please contact me with any questions or concerns

This year the AAU fees and payment deadlines are as follows. The fees can be paid off before any of the deadlines, and there will be fundraisers available to help if you need it.

Junior Dream Team/Hit Squad- Each player is responsible for-\$950 (this includes airplane ticket) + 10 raffle tickets which are \$10 per ticket
