

EVENT ACTIVITIES

1	Build Like a FIRST Team!	Use the provided building supplies to create something to complete different challenges.
2	Robot Design Challenge	Sketch a robot that you think can solve the given challenge. Don't forget to give it a name and fun logo!
3	FIRST Robotics Team Showcase	Meet the students from local robotics teams and learn how each year they design and build their robots.
4	FIRST Lego League Demonstration <i>This activity closes at 11:30 a.m.</i>	Learn to drive robots from local FIRST Lego League teams.
5	Robot Paper Craft	Create your own paper robot friend to take home.
6	Robot Story Time <i>10:30 a.m.</i>	Join Museum staff for a fun, robot-themed story time.
7	3D Printing in Action <i>This activity closes at 11:30 a.m.</i>	Watch a 3D printer as it creates robotic parts. Try your hand at driving some robots created with 3D printed parts.
	FIRST Tech Challenge 2026 Kickoff <i>12 p.m.</i>	Join local student robot teams for the unveiling of this year's game!
