Drizzle/Glaze Recipe

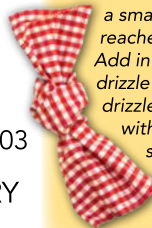

You Will Need: ½ cup powdered sugar, 2 tsp milk

Directions: Mix the powdered sugar and milk in

a small bowl. Add more milk or less, until it reaches your desired thickness.

Add in the flavoring of your choice. For a plain drizzle flavor, add a splash of vanilla; for a lemon drizzle, add a little lemon juice. Get creative with flavor combinations between your scone and your drizzle.

To make it a glaze, make the mixture thicker with more powdered sugar or less milk and paint it on the scones.
