INFORMATION

Shelf Life Most items are 6 months to 1 year. Please keep out of direct or indirect light. Keep excess stock in a cool place.

Advertising Reproducing and/or use of any of our copyrighted photographs, etc, requires prior written approval.

Lead Time We try to ship as quickly as possible. Please give us at least a 2-4 week lead time. You may order in advance with a future ship date. Your order will ship on time during this period.

Terms All first time orders are to be paid by credit card, Visa, Master Card, Discover, or American Express, until credit is established. Declined credit card orders will be repositioned. For Net 30 terms, we require our signed credit application on file. Re-orders will not be shipped to any past due accounts. All accounts that become 60 days past due are placed on credit card terms until credit is re-established. There is a \$35 service charge on any/all returned checks. All accounts will be responsible for any/all necessary fees and charges incurred in collections of monies owed to Sunflower Food Company.

Shipping Orders are shipped FOB from Lenexa, KS 66214 and Olathe KS, 66062. We ship UPS, USPS. FedEx is only collect and only with an account number. In fairness to all our valued customers, orders are shipped in the order they are received. Any account that is past due when placing an order will be repositioned until the account becomes current.

Missing Items and Damage You have within 5 business days of delivery to notify us of any concerns. You can then receive credit on your account. You must save the damaged product in its original packing material and box for 5 days after notifying us, for the transportation company to inspect if they wish.

Returns We stand behind our products 100% for quality and safety. However, due to recent changes and requirements from the FDA and the Department of Homeland Security concerning food safety, we can no longer accept any returned food products unless it is due to our error. Any unauthorized returns will be discarded and no credit will be issued.

All Sales Final Prices subject to change without notice. On all orders refused, we will charge for all shipping fees plus a 25% restocking fee.

Warehouse Certification We are FDA approved and AIB recognized with a GMP Food Safety Trained production team and an HACCP Trained QA Staff. GFSI compliant.

Warm Weather Shipping Recommendations Some items are likely to melt in warm temperatures. (Example: chocolates, taffy, gummies.) We will charge \$5 per cooler with dry ice. Typically eight cases fit in one cooler. Some orders may require more than one box.* Items may melt if using regular ground shipping. Faster shipping methods may be required for certain items. Orders with low tolerance will not be shipped when the ETA includes transport over a weekend. Make sure someone is available to receive the shipment so it doesn't sit outside in the sun. Please check the temperature in your area at the time of ordering.

**Ask your rep for details.*
