## Farm Stands, Fresh Markets & Orchards

### Pancakes

Pancakes make a perfect addition! Show next to fresh fruit for a tasty serving suggestion or pair with private labeled syrups and toppings for add on sales.

Seven delicious toppings:

- Plain
- Cinnamon-Vanilla
- Pumpkin Pie Spice
- Apple Pie Spice
- Chocolate Buttermilk
- Gingerbread
- Corn Cakes

### Muffins and Biscuits

Biscuits and muffins are perfect next to private labeled jams and jellies, AND Sweet Biscuits make a great base for fresh fruit shortcakes. Who doesn't love fresh sweet fruit and whipped cream poured over a sweet cinnamon biscuit?!

Add fresh fruit to muffins

Use Sweet Biscuits to make old fashioned shortcakes

### Crisps and Cobbler

A warm dish of crunchy, sweet topping over fresh fruits is a perfect fall treat. Crisp Mix can be shown as a topping for multiple fruits or can be used with a specific fruit (for example, "Apple Crisp" or "Blueberry Crisp").

Cobbler mix is quick and easy – and perfect for sweet juicy berries. The mix also works with canned fruit.

### Cider Breads

Use hard or sweet cider to create a hot, fresh loaf of bread. Kinda like beer bread, only better!

- Sweet Cinnamon & Spice
- Lemon-Ginger-Vanilla
- Sweet Chili Pepper
- Apple-Basil
- Savory Onion-Sage

### Pie Kits

With the perfect blend of spices and just enough sugar, anyone can bake a pie like a pro! Each kit has two bags of mix, one to toss with the fresh fruit and one to make the crumbly sweet topping. Customer needs the fresh fruit, a little butter, and a (frozen) pie shell.

- Peach Pie Kit
- Apple Pie Kit
