## STAINLESS STEEL WICK TRIMMERS

Make your favorite Candleberry® candle last even longer by trimming the wick with this long-lasting stainless steel trimmer. Trimming the wick will help the wax burn more evenly for a better experience. Don't let your black wick trimmings trash up your wax pool.

Candleberry® has been making candles for over a quarter of a century. No two candles are alike because each is hand-made. Our craft is an art form!

### Candleberry® Terms of Sale

By ordering Candleberry® products you confirm you are not doing business from a residence nor from a "booth" in a flea market or other communal sales site; that you are only selling the products from your approved, retail shipping address, properly zoned as business.

The Candleberry® brand name represents the very highest quality products. The brand provides strong profitability for retailers and high perceived value for the consumer. The Candleberry® brand image is essential to maintaining growth and consistent sales and must therefore be protected and cultivated by selling the products at full and fair market price. If the Candleberry® brand is not presented in the most positive way, it will significantly harm Candleberry® and the retailers of our products. Candleberry® retailers must further agree they will not advertise by any media means — typed, verbal, or otherwise — to sell Candleberry® products at a price lower than the suggested retail price on the Candleberry® order form.

To maintain a "protected territory" (as determined by Candleberry®), your monthly sales must achieve a certain average for the current three-month period. Please call 502.223.2799 for details.

If your account remains dormant for more than three months, a new application is required to be a Candleberry® retail distributor. If you open additional locations, each one requires an approved application. You may not sell Candleberry® products at unapproved locations. Prior to relocating your business, please call us to assure that you will be eligible to sell Candleberry® candles at your new location.
