Handcrafted in the USA

We believe...

Silver Forest jewelry is enchanting, playful, full of color and texture. We believe that the difference is in the details. Our jewelry is made using quality materials and lovingly handcrafted in Southern Vermont. We believe that our earrings are about much more than accessorizing. They're about feeling beautiful, uplifted and confident. They're about expressing your true self.

Our mission is simple—to create wearable art that is as timeless and unique as you.

"I have been a fan for years! These are the best earrings for every day or any occasion!"
