mobile and desktop devices.*

## NARROW

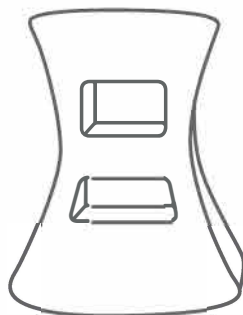

fits slightly skinnier heels

• 6-8 mm  
• about 1/4 in

## CLASSIC

fits most heels

• 8-11 mm  
• about 3/8 in

## WIDE

fits slightly wider heels

• 11-14 mm  
• about 1/2 in

- The size that your shoe requires is determined by measuring the diameter on the base of the heel (not the height of the heel).
- Fit should be snug.
- Solemates measure about 1 inch in height and 1 inch in diameter (at base).
- Solemates do not add incremental "height" to you or your heels.
