Before You Start Planning

Have you ever finally decided to book a trip... only to end up with 27 tabs open, conflicting reviews, and no idea which choice is actually right?

Most travelers know
where they want to go.

They just don't know all the
little details that can change
the entire experience.

That's why I created this checklist.

Use this before you book so your
vacation fits your needs, your comfort
level, and your travel style.

**Hi, I'm Mary
