Tents & Tables

Each vendor is responsible for having adequate weights (at least 24 lbs each leg) for their own tent.

If you don’t have weights, you may rent them at $2/set. (If you are renting a tent from the market, they are included.)

Please arrive no later than 8am if you will be renting a tent or table as these are available on a first come, first serve basis.

Tents with weights are available to rent for $6/day

Tables are available to rent for $2/day
