

Tents & Tables

Each vendor is responsible for having adequate weights
(at least 24lbs each leg) for their own tent.

If you don't have weights, you may rent them at \$2/set.
(If you are renting a tent from the market, they are included.)

Please arrive no later than 8am if you will be renting a tent or
table as these are available on a first come, first serve basis.

Tents with weights are available to rent for \$6/day

Tables are available to rent for \$2/day
