

# Empowering Businesses to Create Truly Inclusive Spaces

At IAMPOSSIBLE, we specialise in training and consultancy solutions designed to help organisations embrace accessibility and disability inclusion. Our tailored approach ensures your team, services, and spaces are equipped to welcome everyone.

## Who We Are

IAMPOSSIBLE is a leading consultancy specialising in accessibility, disability inclusion, and empowering organisations to create meaningful change. Founded by Nicole, a disability advocate, DEI expert, and Paralympic pathway athlete, we bring personal insight and professional expertise to every project. We believe that accessibility is not just compliance - it's about creating environments where everyone belongs.

## Why Choose Us

### Lived Expertise

Decades of combined experience in accessibility, DEI (Diversity, Equity, and Inclusion), and the disability sector.

### Impact Driven

We are on a mission to transform awareness into action, driving real-world change.

### Tailored solution

Every service is customised to your industry, goals, and needs.

## Our Packages

### Building Awareness

- 2-hour Disability Awareness Workshop
- Accessibility review of one location or platform
- Post-training action plan

### Strengthening Accessibility

- 4-hour interactive training for up to 25 participants
- Comprehensive audit with a detailed report
- Follow-up consultation

### Leading Inclusion

- Full-day bespoke training with real-world scenarios
- In-depth audit of multiple sites or platforms
- Custom Improvement Plan and quarterly consultations
- Marketing support for your efforts

### Other Services

- Custom Workshops (tailored topics)
- Staff Training on Accessibility and Disability Etiquette
- Leadership DEI Strategy Development
- Content Creation for Accessibility Campaigns (videos, blogs, etc.)
- Accessibility Audits and Implementation Support
