

Baking Adventures 1

June 15th – 19th

Would you like to be a pastry chef or bake and decorate a cake? With eggs cracking and flour flying, kids will make both sweet and savory delicacies with quality, wholesome ingredients learning real-life baking skills while having a heap of fun! Each day kids will make from scratch their own take-home treats to share with their family! Sampling of tropical fruits, camp games and outdoor activities round out our fun!

Minecraft: Medieval Adventures

July 8th – 12th

All things Minecraft & Medieval! We will journey our way through dungeons, design new castles, and explore the Nether! Kids will create and learn about skins, LAN servers, complex building techniques and more. We will also construct a life-sized play castle and costumes. Medieval adventure games, crafts, and outdoor activities round out our fun! (Bring your own gaming device, or request to use one of ours.)

STEM Crafts

July 20th – 24th

With themes like Dragons, Fairies and Space Travel, kids will delve deep into a new creative project each day. We will create handmade books; soap & bath bombs from scratch; beaded ornaments; pop-up and dried flower greeting cards; and papercraft dragons, fairies, spaceships & more! We will have fun creating as we think and learn! Camp games and outdoor activities round out our fun!

Claymation

June 22nd – 26th

Bring your imagination to life with Claymation! Learn the art of creating a clay character and its internal armature to create your very own stop motion animation! Kids will plan, shoot, and edit a movie of their own design! The last day we will celebrate with a screening of movies for family and friends. Designed for beginning animators and those with experience too. Camp games and outdoor activities round out our fun!

Baking Adventures 2

July 13th – 17th

Would you like to bake monster cookies or a pie of your choice? In our second week of baking fun, kids will make both sweet and savory delicacies with quality, wholesome ingredients learning real-life baking skills while having a heap of fun! Each day kids will make from scratch their own take-home treats to share with their family! (Recipes will be new and different from week 1.) Sampling of tropical fruits, camp games and outdoor activities round out our fun!

Minecraft: Gaming & Stop Motion

July 27th – 31st

All things Minecraft plus Minecraft-themed Stop Motion Animation! Kids will create and learn about skins, LAN servers, complex building techniques and more. We will also work together to create Minecraft-themed animations to show at the end of camp. Minecraft-themed adventure games, crafts, and outdoor activities round out our fun! (Bring your own gaming device, or request to use one of ours. All animation equipment and supplies provided.)
