Bring some spirit
to your yard!

ATLANTIC[™]
ABOVE GROUND POOLS

Esprit

Serenade wall with sand frame

The **Channel-Lok II** is an oval pool support system that requires fewer yard-wasting buttresses without compromising durability beauty.

This unique system provides years of worry-free family fun and relaxation.

Top ledge and uprights

- 6" steel top ledge
- Steel uprights
- Sturdy steel frame

Channel-Lok II-Buttress

- Ease of installation
- Engineered to require fewer buttresses
- Oval pools only

Omega Stabilizer

Only Atlantic pools feature the self-supporting Omega stabilizer bar. This nifty feature greatly simplifies homeowner installation, and has made Atlantic pools the top choice of many professional installers.

All-Weather Protection

The top ledges and uprights on every Atlantic pool undergo a state-of-the-art protective treatment process. In addition, they are coated with Texture-Kote. This combination provides incredibly long-lasting, all-weather protection with added resistance against corrosion, scratching and damaging UV rays. Atlantic's unique Quadra-Fold system and bolting pattern provides maximum wall joint strength.

ATLANTIC
ABOVE GROUND POOLS

NO DIVING. NO JUMPING. ABOVE GROUND POOLS ARE DESIGNED FOR SWIMMING ONLY. MAINTAIN CONSTANT VIGILANCE WHEN CHILDREN ARE IN OR AROUND THE POOL.

Your above ground pool is designed provide years of pleasure and safe family fun, so water safety practices should be strictly adhered to. When used incorrectly, your swimming pool can be dangerous, as your pool contains shallow water making diving or jumping unsafe. Please observe the safety precautions that are provided to you when you purchased your above ground pool, and conform to all local regulations. The dimensions, weights, illustrations and other specifications may not be exactly as shown and are approximate. The company reserves the right to modify and/or discontinue, without notice, any feature in any pool model. ©Copyright 2019 B300-229A
