# Able - iQ

# Our Services

## Specialist Support Coordination

Able – iQ offers specialist support coordination that takes into account your circumstances, goals and personal preferences to create an individualised approach that caters specifically to you. Your supports should be as individual and unique as you!

## Therapeutic Supports

We provide Therapeutic Supports, including assessment and therapeutic counselling for adults with psycho-social needs, developmental, intellectual and physical disabilities. We have over 20 years of professional practice in the mental health sector, working with adults with significant mental health disorders.

**Registered NDIS Provider**

## Our Services

### Case Management

Able - iQ case managers assist with complex recovery needs through a collaborative process of assessment, planning, facilitation and advocacy. We work with participants and their networks (stakeholders, insurers and other professional services) to coordinate services and supports to meet a participant's holistic needs.

## Our Mission

To support, enable and equip individuals with a diverse range of needs to take advantage of opportunities and achieve their desired goals.

## Our Values

### Commitment

Partnering with individuals and community in mutually agreeable relationships to achieve desired growth and development.

### Integrity

Respecting chosen pathways towards achieving desired goals in a non-discriminatory manner.

### Ethical

Assisting people with innovative solutions driven by a strong ethical framework under the Association of Communities Workers Code of Ethics.
