Fun activities and coloring pages  
designed to accompany  
the Giving Is Easy book.

In this new addition to the series, Giving Grace, along with her witty Gang of friends Money Mike, Saving Sam, and the bad guy The Loan Shark, will engage with kids on activities like Coloring Pages, Dot to Dot, Match the Shadow, Maze Game, Crossword Puzzle, and Word Search presenting important financial vocabulary outlined and mentioned in the book.

The Money Mike & The Gang™ series of books teaches kids and families how to make money grow like the leaves on Money Mike's tree by revealing positive Biblical money management values of how to tithe, save, invest, give, and stay out of debt.

## GIVING IS EASY

is a Christian-based illustrated children's rhyming book with a message of hope to break the misconception that money is difficult, lose the cycle of debt, and break a poverty mentality - that starts early in childhood development.
