Fun activities and coloring pages
designed to accompany
the Saving Is Easy book.

MONEY MIKE & THE GANG™

In this new addition to the series, Saving Sam, along with his witty Gang of friends Money Mike, Giving Grace, and the bad guy The Loan Shark, will engage with kids on activities like Coloring Pages, Word Search, Word Scramble, Spot the Differences, How Many, and Match the Money presenting important financial vocabulary outlined and mentioned in the book.

The Money Mike & The Gang™ series of books teaches kids and families how to make money grow like the leaves on Money Mike's tree by revealing positive Biblical money management values of how to tithe, save, invest, give, and stay out of debt.

SAVING IS EASY

is a Christian-based
illustrated children's rhyming book
with a message of hope to break the
misconception that money is difficult, lose
the cycle of debt, and break a poverty
mentality - that starts early in
childhood development.
