

Mission Statement

At A Father's Heart, our mission is to empower at-risk youth by providing mentorship and life-skills development. We are committed to creating a safe and nurturing environment where boys and girls can build confidence, develop healthy relationships, overcome adversity, and discover their purpose.

Vision Statement

The vision of A Father's Heart is to create a future where every young person has access to guidance, stability, and opportunities that inspire growth and success. We envision stronger families, safer communities, and empowered youth who become compassionate leaders and positive contributors to society.
