## DO I NEED A PRENUP?

 Take this quick test to find out if a prenup should be on your wedding to-do list.

**Circle YES or NO for each question:**

**Do you have more savings, retirement, or investments than your partner?**

YES / NO

**Are you bringing in significant student loans, credit card debt, or business loans?**

YES / NO

**Do you already own a home, condo, or investment property?**

YES / NO

**Are you part owner of a business or professional practice (law, medical, ...)?**

YES / NO

**Do you expect to receive an inheritance, family gifts, or trust distributions during the marriage?**

YES / NO

**Will either of you be leaving a job, changing careers, or staying home with children?**

YES / NO

**Are you planning to buy a home together but only one of you is putting up the down payment?**

YES / NO

**Will you be working in or investing in a family business?**

YES / NO

**Are you getting married later in life, after having built your career or wealth independently?**

YES / NO

**Do you or your partner have children from a prior relationship you want to protect financially?**

YES / NO

**Would it give you peace of mind to clearly define how finances would work in your marriage?**

YES / NO

## YOUR RESULTS:

Did you check anything about children, property, business, inheritance, or unequal finances?

*Yes, you need a prenup. Those are high-stakes issues and deserve legal clarity.*

Checked 0–2 boxes, none of them financial or family-related?

*You may not need one, but a short consultation can help you understand your rights before you marry.*

Checked 3+ boxes, or anything about money, kids, or future planning?

*Let's talk. A prenup isn't about mistrust - it's about protecting your future, together.*
