6TH YEAR OF AANTARIK 3RD YEAR OF DURGA PUJA

Special Note: All Govt. advised Covid rules will apply. To keep everyone safe, we strongly recommend that you do lateral flow tests before attending our Puja. Also please wear masks, use sanitisers and maintain distancing as much as you can. We also recommend that you pre-register using the simple Google form link below (and shared earlier) because if there are more visitors arriving than expected then we would need to selectively offer priority entry to those who have registered.

Note: To avoid food wastage and ensure safety, we are giving prasad bhog in packed boxes this year. Please carry them away with you when you leave the venue.
