

Progresso Rising Star Government Preschool  
Progresso Village  
Corozal District,  
Belize CA

To : Concerned Belize Inc.

Through Ethyl Senecal, school year 2024-2025, we received physical play equipment's, bag packs, and other educational toys. It was a huge blessing because these items are not easily available in Belize; and are very costly to buy; yet very needed in everyday preschool activities. These equipment's not only benefits last year student's but also future students to come to the preschool. Also; Individually 30 students received one bag pack each with pencil crayons and pencils to support parents with school expenses.

Thank you! Concerned Belizean Inc.

Yours truly
