ABOUT US

Safeguard Your Fuel System: Essential Fuel Tank Components and Accessories from Rex Consolidated

At Rex Consolidated, we understand the importance of a secure and reliable fuel system. That's why we offer a comprehensive range of high-quality fuel tank components and accessories designed to enhance functionality, safety, and efficiency. Whether you're a manufacturer, fleet manager, or individual vehicle owner, we have the solutions you need to keep your fuel system protected and optimized.

By investing in our high-quality fuel tank components and accessories, you can safeguard your fuel system against theft, contamination, and performance issues. Our products are meticulously engineered to meet the highest standards of quality and reliability, ensuring long-term value and optimal fuel system operation.

Anti-Theft Devices

Deter fuel theft and unauthorized access with Rex Consolidated's robust Anti-Theft Devices. These innovative solutions provide a strong defense for your fuel supply, ensuring peace of mind for vehicles and equipment. Invest in security and safeguard your valuable fuel with our reliable anti-theft devices.

Blind Caps

Rex Consolidated's leak-proof Blind Caps are your fuel tank's silent guardians. They effectively seal unused openings, preventing contamination and maintaining optimal system performance. Invest in prevention with our blind caps and keep your fuel system running clean and efficient.

Fuel Tank Straps

Our heavy-duty Fuel Tank Straps are built to conquer tough environments. They ensure a secure and stable fit for your fuel tank, preventing movement and potential leaks. Manufactured with corrosion-resistant materials, these straps deliver long-lasting performance you can trust.

Fuel Tank Rubber Products

Ensure a perfect seal and long-lasting performance for your fuel tank system with Rex Consolidated's Fuel Tank Rubber Products. Our comprehensive range is meticulously designed for optimal fit with your specific fuel tank, preventing leaks and ensuring a reliable fuel supply. Upgrade your fuel system with high-quality rubber products built to withstand the demands of the road.

Sieve INOX

Protect your engine from harmful contaminants with Rex Consolidated's high-quality INOX Sieves. These precision-crafted sieves effectively filter out unwanted particles from your fuel, safeguarding your engine from potential damage. Invest in longevity and ensure cleaner fuel flow with our reliable INOX Sieves.

Connector Kit (Banjo)

Streamline your fuel system connections with Rex Consolidated's reliable Connector Kits (Banjo). These kits facilitate seamless and leak-proof connections for your fuel lines. Available in various sizes and configurations, they ensure proper fuel flow within your system for optimal performance.

Tank Rubber Protection

This protection enables the fitting of these clamps in compliance with the Standard: 87/404/CE. These KITS are sold in plastic bags (1 strap protection + 1 support protection). You can also get these clamps with this protection fitted, if you specify it at the time of your order. E.g.: 97.206.00 with 93.206.00 fitted

Tensioning Strap (Spannband)

Secure your cargo with confidence! Rex Consolidated's Fuel Tank Tensioning Straps (Spannband) provide a reliable way to fasten and stabilize equipment or cargo near your fuel tank. These strong and adjustable straps offer peace of mind during transportation, preventing unwanted movement and potential damage. Travel safely and keep your cargo secure with our dependable tensioning straps.

Fuel Gauge

Our fuel tank gauges are engineered for accurate level monitoring in a variety of commercial and industrial tanks. Built for durability and precision, they ensure reliable fuel management across demanding environments. Available in customizable lengths and configurations to suit your tank design.

Padlock

Rex Consolidated's Fuel Tank Padlocks add an extra layer of security to your vehicle. These durable padlocks deter unauthorized access and tampering, keeping your valuable fuel supply protected. Invest in peace of mind and secure your fuel tank with a Rex Consolidated padlock.

Fuel Tank Drain Plug

Simplify fuel system maintenance with Rex Consolidated's Drain Plugs. These conveniently designed plugs allow for quick and mess-free fuel removal when needed. Maintain efficiency with our reliable drain plugs and keep your fuel system running smoothly.
