REX CONSOLIDATED

Fuel & Air Tank components

ABOUT US

Established in 1978, Rex Consolidated is an Indian manufacturer and global supplier of automotive, commercial-vehicle and industrial components. Through our specialised product divisions, we support OEMs, aftermarket distributors, wholesalers, fleet operators and industrial customers in more than 70 countries.

Our fuel- and air-tank component range includes mounting straps, retaining pins, filler caps, anti-theft devices, stainless-steel filler strainers, rubber protection profiles, banjo connector kits, drain plugs, relief valves, fuel gauges and associated mounting hardware. Products can be supplied according to standard specifications or developed from customer drawings, physical samples, OEM references and application requirements.

Supported by modern manufacturing facilities, experienced engineering teams and established quality-control systems, Rex Consolidated provides assistance from initial product development and prototyping through serial production, inspection, packaging and export delivery. Our operations are certified to ISO 9001 and ISO 14001, reflecting our commitment to consistent quality, responsible manufacturing and continual improvement.

By combining engineering expertise, flexible production capabilities and responsive technical support, we deliver dependable, cost-effective solutions designed to meet the demanding requirements of international automotive and industrial markets.

Anti-Theft Devices

Deter fuel theft and unauthorized access with Rex Consolidated's robust Anti-Theft Devices. These innovative solutions provide a strong defense for your fuel supply, ensuring peace of mind for vehicles and equipment. Invest in security and safeguard your valuable fuel with our reliable anti-theft devices.

Blind Caps

Rex Consolidated's leak-proof Blind Caps are your fuel tank's silent guardians. They effectively seal unused openings, preventing contamination and maintaining optimal system performance. Invest in prevention with our blind caps and keep your fuel system running clean and efficient.

Fuel Tank Rubber Products

Ensure a perfect seal and long-lasting performance for your fuel tank system with Rex Consolidated's Fuel Tank Rubber Products. Our comprehensive range is meticulously designed for optimal fit with your specific fuel tank, preventing leaks and ensuring a reliable fuel supply. Upgrade your fuel system with high-quality rubber products built to withstand the demands of the road.

Stainless Steel Fuel Filler Strainers

Protect your engine from harmful contaminants with Rex Consolidated's high-quality Stainless Steel Fuel Filler Strainers. These precision-crafted sieves effectively filter out unwanted particles from your fuel, safeguarding your engine from potential damage. Invest in longevity and ensure cleaner fuel flow with our reliable Stainless Steel Fuel Filler Strainers.

Banjo Connector Kits

Streamline your fuel system connections with Rex Consolidated's reliable Connector Kits (Banjo). These kits facilitate seamless and leak-proof connections for your fuel lines. Available in various sizes and configurations, they ensure proper fuel flow within your system for optimal performance.

Tank Rubber Protection

These protective profiles are designed for installation between the tank, mounting strap and support bracket. They help reduce direct metal-to-metal contact, vibration and surface damage. Kits can be supplied separately or fitted to the corresponding clamp assembly when specified with the order.

Fuel Gauge

Our fuel tank gauges are engineered for accurate level monitoring in a variety of commercial and industrial tanks. Built for durability and precision, they ensure reliable fuel management across demanding environments. Available in customizable lengths and configurations to suit your tank design.

Padlock

Rex Consolidated's Fuel Tank Padlocks add an extra layer of security to your vehicle. These durable padlocks deter unauthorized access and tampering, keeping your valuable fuel supply protected. Invest in peace of mind and secure your fuel tank with a Rex Consolidated padlock.

Fuel Tank Drain Plug

Simplify fuel system maintenance with Rex Consolidated's Drain Plugs. These conveniently designed plugs allow for quick and mess-free fuel removal when needed. Maintain efficiency with our reliable drain plugs and keep your fuel system running smoothly.
