# Russia - Ukraine Conflict

---

## To All Novogrodians

We are well aware of the conflicts south of our great nation, and we advise every Novogrodian citizen to leave Ukraine immediately, as we are doing our part to keep humanity safe. - Novogrod Department of Defense.

## What We Are Doing

The majority of our United Nations members are placing sanctions on Russia. We will be working with the majority to place heavy sanctions on Russia, as we hope this conflict will

---

---

cool as soon as possible. Novogrod will NOT be sending any infantry or any military vehicles.

From The Novogrod Department of Defense, to all Citizens.
