ROBOTICS TEAM!**

KENNEDY GAELS

**2022 and 2018 VEX Robotics World Championship
Energy Award Winners**

2021 Southern New York State Champions

- Students interested in engineering, computer programming, math, science, and more. No experience is necessary.
- Build robots and compete in the VEX Robotics Competition in a game-based challenge.
- Season from September to April. Meeting are most Saturdays 10am to 4pm and Sundays 12pm to 4pm.
- 5 to 8 competitions throughout Southern New York.

WHAT IS VEX ROBOTICS?

The Vex Robotics Competition, presented by the Robotics Education & Competition Foundation, is the largest and fastest-growing high school robotics program globally. Each year an exciting new engineering challenge is presented in the form of a game.
