A NOTE FROM THE PRESIDENT

What a summer it's been! The summer months always seem to fly by, and before we know it, we're looking ahead to another exciting year with the Model T Snowmobile Club. I'm grateful for the friendships, support, and shared experiences that make this club so special, and I'm already looking forward to another great year together.

As many of you know, we gathered in Boonville, New York, for our Annual Meet weekend, February 13–15th, 2026. It was a wonderful weekend filled with plenty of room to ride, lots of smiles, and great memories. A heartfelt thank-you to the Lost Trails Snowmobile Club for hosting us and making us feel so welcome. From the warm clubhouse, groomed riding area, and offerings for lunch, their hospitality helped make the weekend a success. We truly appreciate all the time and effort they put into welcoming our club.

I'd also like to thank everyone who contributed to our banquet. I hope you enjoyed the abundance of selections, and desserts! The raffle was another highlight of the evening, thanks to the generous donations and everyone who helped organize and participate. It's always great to see our members come together to make these events enjoyable for everyone.

On a more personal note, I want to extend a very special thank-you to everyone who stepped in to help while I was unable to fulfill my duties. I spent the week in the hospital and was discharged Thursday evening, just in time to see how much this club truly means to me. Knowing that so many members were willing to step up, lend a hand, and keep things running smoothly meant more than I can say. Your kindness, understanding, and dedication are deeply appreciated, and I feel fortunate to be part of such a supportive group of people.

Looking ahead, we'll be returning to Boonville February 5–7th, 2027, so be sure to mark your calendars! I hope to see many familiar faces, along with some new ones, as we come together for another great weekend.

Thank you all for your continued support, friendship, and commitment to the Model T Snowmobile Club. It takes a great group of people to make a club like ours successful, and I'm proud to be part of it. Here's to another year of good times, great riding, and making memories together!

With appreciation,
Tim Snow

2026 Secretary Report Annual Board Meeting • February 13th, 2026

President Tim Snow called meeting to order at 5:15pm 2/13/2026

Announce Greg Stewart would like to resign as a board member.

2-Awesome Country Farmhouse
Farthest Drive: Paul Leblanc
Door Prizes: Robin, Lyndsay, Steve Rosen

Club Chuckle

How many Model T snowmobilers does it take to fix a breakdown?

Just one... but you'll usually find six more standing nearby offering advice, one searching for a wrench, another insisting, "They all do that," and someone else telling the story of how they fixed the same problem back in 1987!

2026 Annual Meet Summary

While many people celebrate Valentine's Day with chocolates and flowers, we celebrated ours in the "Snow Capital of the East"-Boonville, New York. Nestled on the western edge of the Tug Hill Plateau, one of the snowiest regions in the United States, Boonville was the perfect destination for our Valentine's Day Weekend and a chance to celebrate our shared passion for snowmobiling. With legendary snowfall, scenic trails, and warm hospitality, the stage was set for another unforgettable annual gathering.

Members and their families stayed at The Lodge at Headwaters, just a few minutes from our meet-up location at the Lost Trail Snowmobile Club. Each morning began with a continental breakfast to fuel the day's adventures, while evenings offered the perfect opportunity to relax in the lodge's inviting sitting area. Freshly baked cookies awaited us at the front desk, and Alyssa's warm hospitality made everyone feel right at home. Of course, no club weekend would be complete without plenty of laughs, shared stories, and late-night puzzle-solving sessions that kept many of us determined to find that elusive final piece.

Saturday morning brought everyone together at the Lost Trail Snowmobile Club, where we were welcomed into a warm clubhouse filled with friendly faces and great conversation. The hospitality of the Lost Trail members made us feel like part of the family. A delicious lunch of grilled favorites and homemade sides kept everyone fueled for the day's ride.

A special thank-you goes to the members of the Lost Trail Snowmobile Club for the countless hours spent grooming and maintaining the trails for our visit. Their hard work and dedication did not go unnoticed. While some sections challenged both riders and machines with deeper snow and demanding conditions, every mile was appreciated, and the opportunity to experience riding through Tug Hill's beautiful winter landscape made it all worthwhile.

The festivities continued Saturday evening with our annual banquet at Awesome Country Farmhouse, a family-owned venue housed in a beautifully restored 1890 freight house. What began as a small specialty food business has grown into one of Boonville's favorite gathering places, making it the perfect setting to celebrate another successful year together. The buffet was outstanding—and if you can imagine the spread, let's just say it rivaled the number of spare parts tucked away in our members' garages... and that's saying something!

As always, the weekend provided countless opportunities to reconnect with longtime friends, welcome new members, share stories, and create lasting memories. Events like these remind us that while the snow and trails bring us together, it is the friendships, camaraderie, and shared love of the sport that keep us coming back year after year.
