THE FLUTE DEADLINE CALENDAR

- Dates marked with * are to be confirmed.
- Items in red indicate a deadline.
- Those in green mark the kickoff day of a competition.
- Entries in pink refer to flute festivals and masterclasses.
- Ones in grey show the start of youth orchestras.
-  Same day deadline.

There are many dates not yet published — I'll update them in as soon as new information becomes available (many summer academies post new information around Dec-Jan)

Disclaimer:

I didn't include online competitions listed on Musicalchairs or other events aimed at very specific audiences, I selected everything that I know or heard about during my student years. If you know about any opportunities I missed, feel free to share them so we can keep the calendar growing! 🎵

Next update: December 2025
