Student Declaration

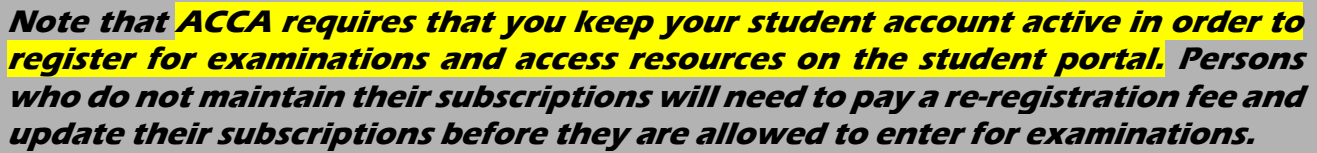

As a student of IMPT I understand that in addition to the fees paid for training sessions, I will also need to register with the ACCA and will need to pay all fees in order to be eligible to sit the external professional examinations for the FIA Diploma. I further understand that it is my responsibility (or my sponsor's responsibility) to pay all fees when they fall due, including fees for training, examinations and subscriptions. **I understand that all classes for ACCA FIA will be delivered as Online LIVE learning at this time.** Students acknowledge that they have the sole responsibility to book their exam session with the local ACCA Testing Centre. IMPT is unable to assist with the exam booking process.

Before signing this Enrolment Form, students are reminded to ensure that they clearly understand all the terms of their enrolment with Innovative Management & Professional Training, in particular clauses concerning refunds, deferments, waivers, and course transfers.

☐ I acknowledge that I will need to commit to investing weekly study time for each course. A minimum of 3 hours per course is recommended. This time will be used to review recorded lessons, complete assignments, and practice questions for topic competence. *(Please tick box and sign below)*

Requests to defer enrolment in a Training Session are reviewed by IMPT on a case by case basis. Only in cases of *documented*, extraordinary personal circumstances is it even considered. **Deferrals are never granted for work permit-related reasons or for mere absence from classes.** If granted, deferrals are limited to one training period only, after which time all fees are forfeited should the student not take up the course at the next offering. **An official request to defer a course is to be sent by email.** It is important to note that **deferrals are not available after 50% of the course has been delivered.**
