How To Create A Fire Escape Plan For Home

- ☐ Draw a map of your home. Show all doors and windows.
- ☐ Visit each room. Find two ways out.
- ☐ All windows and doors open easily. You should be able to use them to get outside.
- ☐ Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
- ☐ Pick an outside meeting place a safe distance from your home where everyone should meet.
- ☐ The house or building number can be seen from the street.
- ☐ Make sure your plan meets the needs of all your family members, including those with sensory or physical disabilities.
- ☐ Everyone in the home should know the fire department's emergency number and how to call once they are safely outside.
- ☐ Practice your home fire drill at least twice a year with everyone in the household, including guests. Practice at ~~least once~~ during the day and at night.

My Fire Escape Plan For Home

Draw a floor plan or a map of your home. Show all doors and windows.

-
- Mark **two ways out** of each room.
- Mark **all** of the **smoke alarms** with (SA). Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.
- Pick a **family meeting place** outside where everyone can meet.
- Remember, **practice** your plan at least **twice a year!**

Meeting Place

Fire Dog Sage says: In case of a fire, you should know 2 ways out of every room in your house.

This maze has two exits: the window and the door. Can you make your way from both the window and the door to reach the fire engine and the tree?
