WHITE WHISKERS NEEDS YOUR HELP!

White Whiskers Senior Dog Sanctuary of Western New York is an official 501c3, home to a future unique dog shelter in the Buffalo, NY area. We are an all-volunteer venture that aims to ease the stress that senior dogs experience when they lose their homes. We are planning on offering the following:

- °Soft, comfy sofas and lounge chairs alongside dog beds in our canine bedrooms and social areas

- °Fenced outdoor spaces, walks and playtime

- °Two care spaces where individuals can board their dogs in the event of emergencies such as fires and unexpected hospital stays

- °Services to canines owned by those escaping domestic violence

- °Services to veterans in need of hospital stays who do not have the funds to temporarily place their dogs in kennels

In response to this effort, Mary Gross, a White Whiskers supporter and volunteer, decided to dedicate her time and effort with a Facebook art page, now known as White Whiskers Artistic Creations.

She has since added over 1,000 members - both artists and supporters - and has raised almost \$7,000 with 100% of the proceeds going towards White Whiskers.

NOW WE NEED YOUR HELP!
