

# FAIRE NOTRE PART

Pajar Canada s'engage plus que jamais à soutenir notre communauté. Nous faisons notre part pour aller de l'avant et aider à soutenir les travailleurs médicaux qui risquent leur vie dans la lutte contre le virus COVID-19.

Pour aider notre corps médical qui nous protège nous avons mis en place notre chaîne d'approvisionnement pour fournir les EPI (équipements de protection individuelle) dont le personnel de santé a besoin de toute urgence au Québec et au Canada.

Pendant que nous prenons ce temps à part, nous nous sentons aussi plus proches que jamais. A partir de cette semaine, nous produisons et livrons des masques de qualité médicale et d'autres équipements aux hôpitaux et communautés locales.

We are doing our part to step forward and help support medical workers risking their lives in the fight against COVID-19. In protecting the people who protect us, we've leveraged our supply chain to deliver urgently needed PPE (personal protective equipment) for healthcare staff in Canada and the US.

While we are taking this time apart, we also feel closer than ever before. As families, as a community, as a nation, and as human beings. We are producing and delivering medical grade masks and other equipment to local hospitals and communities.
