Scotland and Canada... Four centuries of history

There's a natural connection between Scotland and Canada.

Trespass was born in Scotland over 75 years ago. It began as a maker of rugged work wear for Glasgow's industrial sector. Over the years, high quality overalls, gloves, and protective clothing began to give way to outdoor performance apparel.

The name **Trespass** is connected to Scotland's "right to roam." Public access rights were created by the 2003 Land Reform (Scot-

land) Act. This Act provides the public with the right to be on and cross most land and inland water in Scotland. To **Go Further**, and to enjoy the beauty of the land is in the DNA of every Scot and every **Trespass** garment.

Both Canadians and Scots share a passion for the great outdoors and the challenges of being outside, for as long as we need or want to... no matter what. Because we know that by choosing the right apparel, anything and everything is possible!

SAG COMMITMENT NOT TO COMPETE WITH OUR RETAILERS

The Software Apparel Group (Canadian distributor of Trespass performance apparel) does not compete with its retailer customers. We do not have a web store. Our website drives customers to your store; the more Trespass products you sell, the happier we are and the stronger our relationship. We grow through your growth.

We grow through your growth.

100% ACCURACY OF FULFILLMENT/INVOICING

We hate errors. We believe that you should get exactly what you ordered and our invoices and packing slips should reflect that. Every day, we strive for speed and perfection in our logistics. Things do happen, so when they do, you can expect same day, fast, courteous and empathetic service. We try to think like you and put ourselves in your shoes. Your success is our success, not the other way around.

CUSTOMER RETURNS POLICY (AN INDUSTRY FIRST)

If a customer returns a product with a manufacturer's defect, our policy is to credit you with twice the amount you initially paid. Why should you lose your profit because of our mistake? You did the hard work of stocking the product, closing the sale and servicing the customer. We have 100% confidence in our products (over 60,000 QikPac products sold over 5 years, with less than 35 returns) and 100% confidence in you! There's no need to return **Trespass** products to us - we trust you!

- Book an order by Aug 3, 2022
