

MAKE A BIRTHDAY CARD

Every child we celebrate receives a handmade birthday card. Make one today and be a part of the magic!

Ideas of things to draw:

- Balloons
- Cake or cupcakes
- Presents
- Party hats

Ideas of what to write:

- "I hope your day is as special as you are!"
- "Happy birthday to an awesome kid!"
- "Have a great time celebrating your birthday bash!"
- "Happy Birthday!"

General guidelines:

- Steer clear of comments that describe their situation. For example, "I hope your situation changes soon."
- Don't write your name – we have everyone staying at the agency sign the card. So, it is generally from multiple people.
- Don't disclose your personal information. For example, email address, phone number, etc.

To organize your card drop off, please contact us at
