

MAKE A BIRTHDAY BOX

We provide birthday boxes to our partners. When a child has a birthday during their stay, the family has the option to grab a Birthday Box and host their own party for their child. Join in on the fun and make your own Birthday Box to donate!

- Step 1: Pick a theme!
 - Decide on the theme of your box. Ideas include:
 - General happy birthday items
 - Characters or shows (Frozen, Spiderman, Toy Story, etc.)
 - Colors (all pink party, all blue party, etc.)
 - General theme (princess, unicorn, legos, sports, etc.)
- Step 2: Buy your items
 - Fill your box! Standard items include:
 - Cake mix, frosting, candles, gift bag, tissue paper, blank birthday card, plates, forks, napkins, cups, streamers, balloons, decorations and gift.
 - Get creative – make it your own!
 - Whatever is not included in your box, will be provided by us.
- Step 3: Fill the box!
 - Get together with family or friends and have fun making memories and putting your box together.
 - You are welcome to decorate the outside of the box, leave it blank, or wrap it. Please sure to have the theme either written on the box somewhere or decorated with it. So families can know what they're selecting for their child.
 - If you don't have a box – no worries! We'll provide the box for you!
- Step 4: Share your box!
 - Share pictures of your box on social media, and encourage others to get involved.
 - Be sure to tag us @OperationBirthdayBash
- Step 5: Arrange a drop off!
 - Reach out to us and we'll either come pick up your box or you can drop it off to us
