**Phonemic Awareness**

- Lack of appropriate instruction in reading, including the essential components of reading instruction: systematic and explicit instruction in:
  - phonics awareness,
  - phonics,
  - vocabulary,
  - fluency
  - and comprehension.

Never, ever repeat the letter sounds over and over again—teach students to say it once and say it like you mean it

Never, ever pronounce consonant blends as "one sound"

Never, ever pay attention to only the first and last letters (ex. tall-tall, doo-doo, bomb-bomb, till-till, window-window)

Never, ever add "sh" when pronouncing single letter sounds (ex. the letter "c" says /s/ not "tsh")
