## ACP Think-Tank Board of Directors

**WE HAVE A DREAM!** Over the coming years our grassroots organization, **Atlanta: City of Peace**, will unite with many worldwide to transform & formalize Dr. King's birthplace into a GLOBAL City of Peace. This will provide Atlanta with the immense service opportunity of inspiring our big & beautiful Global Family ("ONE TRIBE") for many generations to come -- even as humanity adventures further out into **Space: The Final Frontier**. We also enjoy the labor of honoring Mahatma ("GREAT SOUL") Gandhi who was a great inspiration to Dr. King. Your participation + engagement from all (local-global) is welcomed. Being a key official co-founder for **Atlanta: City of Peace** begins with a simple belief. What one decides to do after becoming a key ACP co-founder (believing) is completely up to their available resources of courage, time, interest, creativity and finance, etc. As soon as we engage funding professionals & philanthropists, all of ACP's projects (large & small) will be scaled up. Ideas? Send proposals. We invite & welcome you & ALL as key official co-founders for ACP.

[ **NOTE:** Many are now talking about our organization's envisioned transition, or merger, or adoption by a major new Atlanta peace entity. To reporters and/or journalists, please send questions, with your contact info, to [ATLANTAcityofpeace {AT} gmail {DOT} com](mailto:ATLANTAcityofpeace@gmail.com) To those who have already emailed; **"Thanks, be patient and we'll get back to you if interested."** ACP is revamping its three (3) Think-Tank Boards (Directors, Advisers, Ambassadors). We still invite, welcome and seek all courageous civic, government and business leaders (local-global) who are experienced in all facets of scaling-up community organizations]. Send dev ideas, proposals & strategies to: [ggaran {at} ATLANTAcityofpeace.org](mailto:ggaran@ATLANTAcityofpeace.org)
