Statesville ABC Board Policy for Liquor Buyback From Liquor by the Drink Wholesale Customers

The Statesville ABC Board shall allow any bottles that have been purchased since January 1, 2020 to be returned for a refund at current retail price, less the mixed beverage tax.

In order to qualify for a buyback:
- The products to be returned must have been purchased since January 1, 2020
- The seal of the product(s) cannot be broken
- The product cannot be tampered with
- The tax stamp cannot be altered
- The product must be clean

To apply for a buyback:

Complete the buyback application and email to statesvilleabclbd@gmail.com

Once the application is reviewed, you will be called for an appointment to bring in your products.

In order to legally transport your products, you will need to have your current invoices. These will act as your transportation permits when you bring in your products.

Once all of the products you have returned are approved, the Statesville ABC Board will send a check to the customer within two weeks.

The customer will be given a receipt with proof of product returned that will need to be kept on file for three years along with current purchase invoices.

This policy change will be in effect for the remainder of the emergency order pursuant to Executive Order 118.

Policy Effective April 10, 2020

Refunds will only be made by check and will be mailed.

Once approved, check should be made payable to:
