Please attach a description (no more than one page) of how you plan to utilize the funds in your organization. **Remember that the request must meet the guidelines in the first paragraph.**

Preference for funding will go to organizations providing direct services in the City of Statesville. In the event that there are insufficient applications from this area, the Greater Statesville area will be considered.

Remember, the deadline is July 15, 2022. The ABC Board will review the proposals and then select the organizations they wish to interview. At the time of the interview, the organization may be required to submit an organization budget. Interviews will take place during the August board meeting and the final decision on fund distribution (and the actual distribution), will take place after that meeting.

We prefer that the application be emailed. This application and the one page plan your organization has for the funds can be emailed or mailed to:
