CHAPTER 1

The Wish

The Earth shone like a blue, green, and white moonball among the bright stars.

Five little moon mice came to play with their friend, **A. Nonny**. The girls were **G. Teeny** and **N. Dorr**. The boys were **O. Cheesy**, **E. Norr**, and **B. Infa**.

First, they played rock tag. Next, they played hide and seek. Then G. Teeny moon mouse made a game sing-song:

*“A moonball game is fun for all.
B. Infa has a nice moonball.”*

A. Nonny shook his head. “I don’t want to go to B. Infa’s house. Let’s play rock tag instead.

E. Norr moon mouse smoothed his tail and said, “We played rock tag. I want to play moonball now.”

E. Norr Mouse

O. Cheesy wiggled his moon mouse ears. Everyone laughed – except A. Nonny.

“I think moonball is fun,” said N. Dorr as she took G. Teeny's paw in hers. “Let's go.”

“Moonball time,” said E. Norr with a twitch of his whiskers. B. Infa, O. Cheesy and E. Norr joined the girls on the path.

A. Nonny said, “I'm not going.” He hoped his friends would change their minds and stay. But they didn't.

“We'll see you later,” said G. Teeny, and the five moon mice disappeared behind a rock.

“If I had a moonball they would have stayed,” said A. Nonny. “I wish I had a moonball. I wish I had a star-go-round to ride. They would play at my house if I had all the games and B. Infa had none.”

B. Infa Mouse

A. Nonny walked back and forth as he talked. “I wish, I wish,” he said, “I wish I could have anything I wish for.”

At that instant, four shooting stars bumped together in a golden, magical **POUF!** The magic gave A. Nonny a golden nose, a golden magical tail and – flying high above him – a tiny Fairy Moon Mouse. She also had a golden nose and a golden magical tail.

**A. Nonny Mouse
(Magical)**

Fairy Moon Mouse fluttered down in a swirl of sparkles. “Be careful what you wish for, A. Nonny,” she said.

Fairy Moon Mouse

A. Nonny blinked in surprise. “Who are you and how do you know my name?” he asked.

“I am your Fairy Moon Mouse so of course I know your name. I came from the magical **POUF!** of the four shooting stars. I will teach you how to get what you wish for and show you how to stay out of trouble,” she said.

Fairy Moon Mouse flew around A. Nonny and he had to spin so fast to watch her that he tripped over his golden magical tail and fell flat on his golden nose.

A. Nonny stared at his tail and looked down at his nose. “What happened to me? What have you done to me?” he shouted.
