January , 2020

Dear Friends of St. Mary's,

For Fall Fest 2020, we are embarking on our continued task of raising funds for the beautification of our school yard.

We want to create an even safer environment for our kids during their vital recess/free time. Each year, part of our funds go to keeping our tuition affordable by supplementing our operational budget. In 2020, any excess funds raised at our Fall Fest over \$40,000 will be dedicated to the vision of having an updated school yard.

If you haven't participated in our Fall Fest before, please consider doing so this year. We encourage this event to be an Adult event, so treat yourself to an evening out. If you have, we would be honored to have you sponsor us again. Three years ago, we were able to purchase a new science lab and equipment. Two years ago, we purchased new computers for our school. Last year we purchased a new speaker/sound system/projector and motorized screen for our Gym. This year, we want to provide beautification of the school yard where our kids play.

Thank you for supporting St. Mary's School in Belen.

Andrea Harville, Principal

2015 winner of Innovations in Catholic Education Award

At Saint Mary's Catholic School, we are committed to the growth of our Catholic identity, academic potential and community involvement.
