STAR Reading:
90% are at or
above grade level

STAR Math:
95% are at or
above grade level

Catholic Identity

*Students take part in preparing the Mass. They do the readings, responsorial psalm, petitions, and bring up the gifts.

*Receive 1st Reconciliation and 1st Holy Communion in 3rd grade.

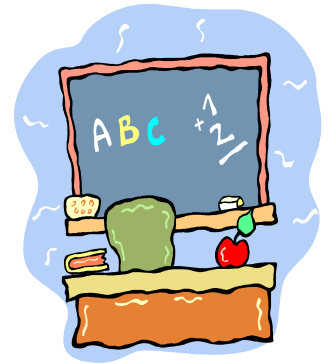

*Participate in 2 retreats per year.

*Attend Mass every Wednesday.

Academics

Math: students focus on advanced addition and subtraction, multiplication, division, fractions, and measurement. Language arts: students focus on topics essential for building background knowledge, vocabulary, and writing skills. They are exposed to works of literature, informational text, and art of the highest quality.

Science: students focus on properties of matter, electricity, and the solar system. Each week they attend science lab.

Community Service

Students participate in class and extracurricular service projects to better our community.

The third grade makes Christmas cards for Meals On Wheels participants.
