Dear Friends of St. Mary's,

For Fall Fest 2020, we are embarking on our continued task of raising funds for the beautification of our school yard. If you haven't participated in our Fall Fest before, please consider doing so this year. You won't even have to leave the comfort of your own home to attend this event. We are going virtual! We hope to reach not only our loyal friends and families, but a more global audience as well. Since this is new to us, we would love to have your support to insure that we are able to continue to keep our tuition costs low and at the same time build up a fund to improve our playground for the safety and security of our students.

We want to create an even safer environment for our kids during their vital recess/free time. Each year, part of our fund raiser goes to keeping our tuition affordable by supplementing our operational budget. In 2020, any funds over \$40,000 raised at our Fall Fest will be dedicated to the vision of having a safe, secure and attractive school playground for St. Mary's students.

Please consider a sponsorship of this event.

Thank you for your support,

Ms. Victoria Cano,

Chair of the Fall Fest Committee
