Dear Friends of Saint Mary's,

St. Mary's is a wonderful educational institution that has been providing quality, Catholic education to Valencia County residents since 1927. We are currently planning our upcoming fundraiser: Fall Fest.

If you have not participated in our Fall Fest before, please consider doing so this year. Last year, we went completely virtual, and this year we are hoping to make it a combination of in-person and a virtual event. By doing this, we will continue to provide an event for our loyal friends and family, as well as having a global audience.

Each year, parts of our funds go to keeping our tuition affordable by supplementing our operational budget. In 2021, any excess funds raised at our Fall Fest event over \$40,000 will be dedicated to the vision of building a St. Mary's Scholarship fund to aid students in obtaining a quality Catholic filled education. In years past, we were able to purchase a new science lab and equipment. We also have used the excess money from our fundraiser to purchase new computers for our school, along with a new speaker/sound system/projector and motorized screen for our gym.

We would be honored to have you sponsor our event this year. There are three levels of sponsorship: Platinum, Gold, and Silver. Please remember, your sponsorship is tax deductible. All the needed information is enclosed with this letter.

Thank you for your time and for your consideration of sponsoring this event.

Yours in Christ,

Melanie S. Chavez
Interim Principal
